

## **DISCUSSION QUESTIONS: SIBERIAN TIGER QUEST**

1. Why do these tigers have to roam great distances?
2. What animal makes those big nests high up in the trees, and why?
3. What draws Chris Morgan to this adventure?
4. What kind of terrain do the tigers live in?
5. How did Park end up in his current occupation? What drives him?
6. What are telltale signs of a tiger's past/recent presence in an area?
7. Why are tigers poached?
8. What is responsible for propping up the entire ecosystem?
9. What kind of future do these tigers have?
